Subject: M6H1 L300 Trailer usage/availability for USCG in Port Arthur
Date: Saturday, September 9, 2017 10:52:41 AM

Sending this widely to hopefully get an answer. I have been asked by USCG Logistics here in CC (Alpha Branch) to see if we had any lodging facilities, trailers, available in the Port Arthur area for work teams in Charlie Branch. I know we have them, but am not able to say if we are making these available to anyone else, from TX or USCG as part of unified command operations. Please advise as to permissibility and availability is permitted.

Thanks,

Derek
